

## The Windshear™ Sidedraft

An Axial Fan at an affordable price.

Superior drying capability, ensuring spaces are dry, safe and ready for immediate use.

### Power and Durability for Long-Lasting Use

Tornado's® Windshear™ Sidedraft is built with patented, rotationally molded material to withstand the harsh, every-day use of contract cleaners, restoration professionals and more. Due to its durable construction, the Sidedraft will outlast other competitive models on the market today.

### Countless Applications

The possibilities are endless with Tornado's® Windshear™ Sidedraft. You can use it to dry carpets, rugs, padding, subfloors, cabinets, dry-wall, paint, closets, baseboards, attics, furniture, draperies, or just about anything you need to dry. The Windshear™ Sidedraft increases air-flow, cleaning efficiency, safety, and minimizes downtime in a room or large facility. Also perfect as a box fan, the Sidedraft can be used for general cooling and air circulation in any commercial or industrial setting.

# Windshear™ Sidedraft

## Key Features

- 3000 CFM airflow
- Low 2.2 amp draw
- Six position versatility, 2 speed
