# OB 20/14 Orbital Auto-Scrubber

## Head And Shoulders Above The Competition

Tornado Industries is proud to present a proven orbital cleaning technology, now refined and combined with the ease of auto-scrubbing. By merging the sheer power of an orbital cleaner with the convenience of an auto-scrubber, the Tornado OB 20/14 further adds to the comprehensive lineup of Tornado auto-scrubbers. With high RPMS and constant downward pressure, this machine can remove floor finish and pick up the residue without the use of chemicals. The power, performance and versatility are undeniable in the Tornado OB 20/14.
