- Powerful .7 hp drive motor.
- Effortless control in a comfortable platform
- Durable frame with polyethylene tank construction
- On-board charger

BDSO 27/28 Stand-on Auto-Scrubber

Head And Shoulders Above The Competition

Ride-on scrubbers provide comfort and convenience, while walk-behind scrubbers offer cost savings. The Tornado BDSO 27/28 combines the best of both worlds. Our brand new scrubber covers lots of ground without the operator having to take a single step and maneuvers around obstacles with superior control. Tornado is known for it's vast offering of products and the BDSO 27/28 only adds to the best automatic scrubber line-up in the industry.

Control speed, solution, pads, and more with ease.

Easy access to the solution and recovery tanks

The BDSO 27/28 includes an on-board charger.
