

OB 28/20

Orbital Auto-Scrubber

Tornado Quality Combined With
Proven Orbital Technology

- Maximum efficiency with high RPMs
- Consistent downward pressure
- Cleans corners and grout lines effortlessly
- Tool-less maintenance
- Reduced water and solution consumption
- Less slip, trip and fall occurrences
- Doubles as a floor finish remover
- Cuts finish removal time in half
- Reduces long-run costs and increases productivity

OB 28/20 Orbital Auto-Scrubber

Sheer Power and Scrubbing Performance

Tornado Industries is proud to present a proven orbital cleaning technology, now refined and combined with the ease of auto-scrubbing. By merging the sheer power of an orbital cleaner with the convenience of an auto-scrubber, the Tornado OB 28/20 further adds to the comprehensive lineup of Tornado auto-scrubbers. With high RPMS and constant downward pressure, this machine can remove floor finish and pick up the residue without the use of chemicals, cutting prep-time in half compared to the standard removal process. The power, performance and versatility are undeniable in this auto scrubber. Tornado's OB 28/20 is the perfect combination of Tornado quality and effective orbital cleaning.

Control speed, solution, pad and more with ease.

Convenient onboard battery charger

Model	OB 28/20
Catalog Number	99729
Machine Dimensions	
LxWxH	60"x33.7"x41.1" / 1524 mm x 856 mm x 1044 mm
Net Weight	348 lbs / 150 kg
Solution Tank	20 gal / 75 L
Recovery Tank	22.5 gal / 85 L
Squeegee Width	39.4" / 1000 mm
Design Characteristics	
Tank Construction	Polyethelene
Cleaning System	
Productivity Per Hour	29,493 ft ² / hr
Brush Type	Orbital
Head/Pad Dimensions	28"x14"/711 mm x 355 mm
RPM	3,530
Pad Pressure	132 lbs
Cleaning Path	28"
Operating Sound Level	< 66 dBa
Motor	
Vacuum Motor	23.75A, .75 HP, 570W
Base Motor	31A, 1 HP, 746 W
Battery	
Voltage	24 V
Warranty	
Labor	1 Year
Parts	2 Years
Tanks	10 Years
